

SIGN WITH APPLE DEVELOPER ID ON UNITY PLAYER SETTINGS

Corso Realtà Virtuale 2022/2023

eleonora.chitti@unimi.it

IN UNITY

Go to:

Unity -> Player Settings -> Other Settings -> Identification

Check the “automatically sign” checkbox

Fill the **Signing Team ID** textbox with the ID in your Apple’s Key Chain (Next slide)

WHERE TO FIND THE ID IN THE KEYCHAIN

- In apple Keychain find the **Certificate** “**Apple Development: [email of your apple id]**”
- Right click on the certificate -> Obtain Information (Get Info)
- Under the first section :“**Name Subject**” copy the value of the third voice “**Organizational Unit**” (that is a code with around 10 characters)
- Paste that value in Unity
